

Transfer Your College Credits to a College or University

The American Council on Education's College Credit Recommendation Service (ACE CREDIT) has evaluated and recommended college credit for the following nineteen (19) CFT courses. The American Council on Education, the major coordinating body for all the nation's higher education institutions, seeks to provide leadership and a unifying voice on key higher education issues and to influence public policy through advocacy, research, and program initiatives.

These CFT courses will carry the same ACE college credit transfer recommendation, whether taken Online or Guided Self-Study.

College Affiliation

The Center for Financial Training is pleased to promote its affiliation with:

Excelsior College

Excelsior College, an accredited world leader in distance education for working adults for over 35 years, has agreed to transfer in American Council on Education (ACE) reviewed course credits from the Center for Financial Training.

Students can apply those credits toward earning an associate or bachelor's degree. To earn an Associate in Science in Business, up to 30 ACE-assessed credits can be applied toward the 60 credit total needed for graduation. For a Bachelor of Science in General Business, up to 51 ACE-assessed credits to the 120 credit total needed for graduation. For a Bachelor of Science in Finance, up to 51 ACE-assessed credits to the 120 credit total needed for graduation. Many courses may also be applied toward associate and bachelor's degrees in the School of Liberal Arts. Excelsior College also accepts applicable military and corporate training that has been assessed for college level credit.

For additional information about Excelsior College and how your CFT courses can be applied to degree requirements, contact an Admissions Counselors toll-free at (888) 647-2388, ext. 2-7. www.excelsior.edu
